

FOUNDATION STAGE THEMED BOOK COLLECTIONS

Library Services for Schools is pleased to offer themed sets of books aimed at the Foundation Stage.

How does it work?

- Each collection contains 20 different books to include picture books, non-fiction and multicultural books where appropriate.
- To order your collection simply complete the order form overleaf. You can have any topic listed, choose your own topic or have various topics in one box (all subject to availability).
- Books will be delivered direct to your school.
- Books are loaned on a termly basis and will be collected at the end of each term.
- The themed book collections can be borrowed as part of your school's normal short term loan entitlement. If you wish to borrow these boxes over and above your school's entitlement then there will be an additional cost to your school.

- Save on staff time looking for books on a particular topic.
- Have the opportunity to see newly published material.
