

## SUPPORT CUMBRIA LIBRARY SERVICE HELP US TO SAVE MONEY AND THE ENVIRONMENT

In February 2011 Cumbria County Libraries started to reduce the amount of library notices that we post out to customers. With over 250,000 registered library users, communicating with all of our customers costs us thousands of pounds every year, much of this on postal costs.

We are now able to send you library notices by email. We are also working towards sending library notices by SMS text message.

### HOW YOU CAN MAKE A DIFFERENCE

If you would like us to contact you by email or text message please speak to a member of staff in your local library, telephone our Helpline on 03033 331217, or e-mail us at [libraries@cumbria.gov.uk](mailto:libraries@cumbria.gov.uk) and we will update your contact details.

Your details will only ever be used for the operation of the Cumbria County Library Service and will not be passed to a third party.
